

Nu-Way Systems/PearlLED jointly present:

## GO GREEN

# Changing Environment One LED Bulb at A Time

Pearl-30, PX series LED tube, made in USA, designed for easy, simple, direct replacements for most current fluorescent bulbs and tubes.

### Uncommon Features:

- Pearl-30™ bulbs are designed to produce true daylight color generating more light spectrum and sunlight quality, no heat nor glare.

### Benefits:

- Reduced re-lamping, maintenance cost
- >60,000-hour long service life, 5-year warranty
- No signal interference critical for precise instruments to function
- Environmentally safe (no glass, no mercury, no lead, reusable, recyclable)
- Start fast in any temperature.

### Applications:

Labs, jewelry stores, beauty salons, recess lights, conference rooms, galleries, museums, ...

### Media News:

- Golden Mousetrap Winner 2010 by Design News Magazine
- AutoDesk teaming partner

PX8 LED tube – 4 ft
